To ensure public safety as well as the reliable operation of our distribution system, Exlexicon Energy maintains adequate clearance around our overhead power lines through a line clearing maintenance program (or tree trimming) that is performed by an Exlexicon-approved contractor.

Notice will be provided to all property owners prior to any work being performed on private property. The work does not require an outage and all property clean up will be the responsibility of Exlexicon and its approved contractor.

**2023 Tree Trimming Notification**  
**BEAVERTON**

Contractor: Ontario Line Clearing  
Approx. Start: January 3, 2023  
Approx. End: April 14, 2023
